

FY 2007 GEORGE E. BRADY SCHOLARSHIP APPLICATION PROCESS

The Association of Government Accountants (AGA) - Boston Chapter is pleased to offer one (1) George E. Brady Memorial Scholarship of \$1,000 to an AGA – Boston Chapter member or an Immediate family member that is enrolled in an institution of higher education with no limitation as to educational major.

Background: The late George E. Brady was a member of AGA from 1957 until 1996. He served as the Boston Chapter President of AGA (1964-1965). George graduated from Bentley College in 1933 and went to work for United Fruit as an accountant. In 1941 he joined the federal government as an accountant. In 1954 George applied for his CPA license where he had to demonstrate that he had the requisite two years of public accounting experience. At that time, government service was not automatically accepted as public accounting experience. George met with the licensing board and successfully demonstrated that his 13 years of government service had exposed him to the same experiences encountered by public accountants. As a result of his tenacity, the board granted him his CPA license. He was the first person to have government service recognized as public accounting experience by the licensing board. George retired in June 1973 as Chief of the Boston Branch Office, Contract Audit Division, Auditor General, USAF after 31 years of government service.

Eligibility:

- Applicant must be an AGA – Boston Chapter member or an immediate family member (spouse or dependent child).
- Applicant must be enrolled in an institution of higher education with no limitation as to educational major.

Award Criteria: Recipients will be selected based on scholastic achievement, leadership qualities, extracurricular activities, reference letter, and writing ability.
